

Rizzo & DiGiaccio

CERTIFIED PUBLIC ACCOUNTANTS

ABOUT US

Rizzo & DiGiaccio, CPA's are focused on providing value-added accounting and business consulting services to small businesses and individuals. Our partners have 15+ years experience in serving this market.

Our process is designed to help small businesses move forward by providing sound business advice. We are responsive and active with our clients and think "out of the box" to provide ideas that help maximize wealth. Our approach has made us a profit center for our clients.

As an investment in your business, we will review your prior year financial information at no cost and provide you with recommendations.
